Submission: Objection

Comments: I can't see why Crouch End needs more shop fronts and flats when it can't rent or sell the ones it has already, especially when it needs small businesses to thrive (like garages and car washes). Crouch End Broadway already has lots of empty or closed shops and restaurants and across the road from this development is a new residential development where not a single flat has been sold yet. Haringey should support the businesses that actually are thriving in Crouch End and not allow more development of shops, offices and flats when there is no demand for them.
